The Board of Directors approved two extra days that Faith Child Care will be closed this year. Both are professional development days for the staff. Typically, the staff stays after work and we have our staff meetings from 5:45 p.m.-7:45 p.m. A whole day training will allow us to bring in speakers that may otherwise not be available in the evening. While this is not ideal for families, it will help the staff. Also, out of four centers surveyed to see if they close for professional development days, all four of them are closed at least two days per year.
