December 2017

Volume 28 Issue 12

The Mission of Faith Child Care, Inc.: “to provide quality Christian child care for families of the Fox Valley community in a nurturing environment that fosters developmentally appropriate growth.”

With the beginning of December and Advent, we turn our thoughts to the celebration of Christmas. Our children’s program this year focuses on Light, reminding us of Jesus, the Light of the world. We hope you can join us for their special program and watch their joy as they sing about Jesus’ birth..

Thank you to those who have returned your child’s contract for 2018. If you have not yet returned yours, please submit it no later than Friday, December 8th.

Many of our staff postponed taking vacation during the year because of our staff shortage, but are hoping to have some time off with their families over Christmas. Please let me know as soon as possible if your child will be off any days from December 26-29 so I can grant time-off requests.

Our children are growing up so fast! Due to the development of the Sunbeams and Moonbeams, we will be re-opening the Bumblebee room on January 2nd. Please watch for a note in your parent pocket for more details.

Remember that one of the greatest gifts you can give your children this Christmas season is YOU. Take time from the hustle and bustle of the season to enjoy time together and to begin your special Christmas traditions. Invite Christ into your heart and home and make Him the focus of your family’s Christmas celebration. I wish each of your families a very blessed Christmas!
