

Our Parent Activities Committee, also known as PAC, meets every other month to plan family events and to promote staff appreciation through special activities. This group is made up of parent members and the Administrative and Program Directors. Some of our past activities have included family sledding at Erb Park, family night at Monkey Joe's, and a family night at a Timber Rattler game. Events for staff appreciation include a Mystery Night, celebration of birthdays and a Christmas gift.

In addition to activities that take place away from Faith Child Care, the PAC helps plan activities for family events that occur at the Center. Our week long celebration for Week of the Young Child ends with an evening event on Friday. In past years we have had a movie night, a dance party and a puppet show along with pizza. In July, we celebrate Faith Child Care's birthday with a potluck picnic, afterwards families are invited to participate in games that the PAC helps to plan which have included a Sand Castle contest in past years! At the end of October, we hold a Fall Festival for families, which includes the children wearing costumes. The PAC helps to plan the activities for the families to participate in at the Festival.
